

The map displays the Hohenweg area in Switzerland, with 7 numbered clusters of points. The clusters are color-coded: 1 (red), 2 (blue), 3 (green), 4 (purple), 5 (orange), 6 (yellow), and 7 (brown). The map includes various place names such as Langweid, Frauenwald, Hohenweg, and Hohenweg. The clusters are distributed across the area, with cluster 1 being the largest and most central, and cluster 7 being the smallest and located in the south.
