

Map of the Cuneo area in Italy showing sampling locations for the 2017-2018 influenza season. The map displays various towns and regions, with sampling sites marked by colored dots. The sites are categorized into seven numbered groups: 1 (red), 2 (blue), 3 (green), 4 (purple), 5 (orange), 6 (yellow), and 7 (brown). The map also shows major roads like VIA COLLINA, VIA CANTONALE, VIA CAMPAGNA, and VIA STRADONINGO, and geographical features like the Agorone river and the Alpe di Sesto mountain range.
