

Map of the study area in the Engadine region. The map shows the distribution of sampling locations, marked by red dots (at least one sample) and blue dots (multiple samples). Three specific areas are highlighted with numbered circles: 1 (near Schautschen and Propissi Sot), 2 (near Halta), and 3 (near Brinza/Brinza). The map includes labels for various locations such as Hetta da las Nuorsas, Ruoinas, Insel, and Surava. A river labeled GRAVAS is also visible.
